

Activity 3

### Bamboozled

Written & Illustrated by

“Kaw-kaaaaaw, eek-eeeeek!” The sounds of the jungle were constant: “Urp-urrrrrrrp, zzzzzzzzzz, ruff-ruff-ruff-ruff, quack-quack!” After hours of those awful noises, Freddy decided to go out into the jungle and shoosh the tiny-blue-floppy-eared creatures. *That* was his first big mistake . . .

Freddy predicted that he would quiet the creatures and quickly come *right back home*. He was totally wrong. Try these activities for fun to see how good *you* are at prediction. You'll need a timer and/or someone to tell you when 15 seconds is up.
